FUN FAIR

A HUGE thank you to everyone who helped to make the 2024 St. Brigid Fun Fair a success. We really couldn't have done it without the leadership of the Fun Fair Committee, the work of more than 60 day-of volunteers, our community donors and sponsors, and to everyone who came out to have fun!

The money raised at the Fun Fair will be used to support playground improvements.

Please click [here](#) for a list of some of our generous sponsors.

We also have a short survey to gather your valuable insights for future planning. If you have any feedback about the fair or the planning process that you think would help us moving forward please share it with us [here](#)

A NOTE FROM OUR CSPC CO-CHAIRS...

Last CSPC Meeting is Tuesday June 18th at 6:30pm in the library or via zoom (link [here](#)). At this meeting we will be discussing future fundraising ideas, so any feedback from the community would be appreciated.

Some of the CSPC positions will be open for the 2024/2025 school year. Please consider attending our next meeting to find out more about the positions, and how you might be able to help. Joining CSPC is not only a great way to help our community; it is also an excellent way to learn more about what is going on in the school.

Our Playground Grant application was submitted by Mr. Kerr before the May 24 deadline. We spoke to Angela Kennedy earlier this week to discuss and highlight some of the issues we face regarding our current playground situation.
